## Make-up That Is in Harmony | Times Square Chronicles

**SUZANNA BOWLING**

JULY 9, 2016

If you are Gluten Free you know that part of the problem is not just food but the products you put on your skin. [in Harmony](#) is passionate about beauty products that are good for you. If you want to look beautiful and feel beautiful ... naturally this is the perfect make-up for you. Using the best nature has to offer, in Harmony uses organic ingredients, therapeutic grade essential oils and pure minerals. Nothing harmful will ever touch your skin. Even those with sensitivities and allergies will find [in Harmony](#) rejuvenating and healing. After what you put on your body is just as important as what you put in it.

Currently, the beauty care industry is unregulated in the United States, which means there are lots of toxic ingredients in your everyday products. You won't find that at [in Harmony](#). There is nothing harmful – no sulfates, no parabens, no synthetic fragrances and no dyes. Only nature's best ingredients.

Most of their beauty products are vegan, gluten free and wheat free. Their make-up is 100% mineral makeup with blush, foundation, eye shadow, eyeliner using Taklon brushes that don't harbor bacteria like animal brushes.

Here is a list of what you can buy and treat yourself to.

### **Skin Care**

**Facial Moisturizer.** 2 oz. Price: \$29.95; 1 oz. \$15.95

Nature's best organic facial moisturizer. Perfect for all skin types. Expertly blended with anti-inflammatory antioxidants, it soothes skin, tightens pores and reduces visible signs of aging. Also calms the complexion and reduces redness. Incredibly hydrating. Vegan, gluten and wheat free.
